¹ Poverty Concentration = Relative wealth of a school district measured as the percentage of students eligible for free/reduced lunch (higher percentage equates to higher poverty level). NOTE: Poverty concentration data used is as calculated for the 2011/12 budget.

² Student = ADM (Average Daily Membership) which is the term used for all resident pupils of the school district for whom the school district is financially responsible. Cuts per ADM for 2011/12 include Basic Education subsidy, Accountability Block Grant, Educational Assistance Program, Charter School Reimbursement, and School Improvement Grants.

³ Cuts per student (ADM) for 2012/13 proposed budget reflect the loss of \$100 million in Accountability Block Grant funds. The 2011/12 budget included a retroactive appropriation to the 2010/11 fiscal year of \$100 million for this block grant. The funds, however, were distributed to schools in the 2011/12 budget year. The governor's budget proposed no funding for the Accountability Block Grant in 2012/13.
