\*The final Ready to Learn Block Grant (RTL) appropriates \$192 million to school districts and \$8 million to charter schools, for a total of \$200 million. School districts will receive \$100 million distributed in the same manner as the 2013/14 Accountability Block Grant. The additional \$92 million in RTL is driven out with a new formula. The governor's budget had proposed \$220.8 million to school districts and \$19.2 million to charter schools for a total of \$240 million.

\*\*Of the \$20 million increase for Special Education, \$19.8 million will be distributed to school districts using a new formula based upon student cost, relative district wealth and other factors. The remaining \$200,000 (1 percent) will be set aside for extraordinary special education costs in districts and charter schools.
